Here is another email that I sent to House fiscal staff w/ Mike's assistance after the attached email thread was asked of us. He identified the fact that OSDH was over budgeted w/ state appropriated \$\$ in SFY18 by \$10M in the spreadsheet. This was on August 29 and I never received a follow-up from the House.

Stacey,

I have attached two documents. The excel doc is in a format that I believe has been provided in previous years when similar requests have been made about agency funds. The PDF is all OMES Fund balances as of 8/28/2017.

Please let me know if you need additional information or have any questions that I can pass along.

Thanks,  
Brian
